HATE CRIME

A hate crime is a crime like murder, arson, or vandalism with an added element of bias. For the purposes of collecting statistics, the FBI has defined a hate crime as a "criminal offense against a person or property motivated in whole or in part by an offender's bias against a race, religion, disability, sexual orientation, ethnicity, gender, or gender identity."

Incidents: 2 **Clearance Rate:** 0%

Note that a single crime may consist of multiple offenses and up to five bias motivations can be listed per offense.

A crime is cleared in one of two ways: when at least one offender is arrested, or by exceptional means when situations beyond law enforcement's control prevent the agency from arresting the offender - i.e.,

a) Death of Offender

b) Prosecution Declined (by the prosecutor for other than lack of probable cause)

c) In Custody of Other Jurisdiction (includes extradition denied)

d) Victim Refused to Cooperate (in the prosecution)

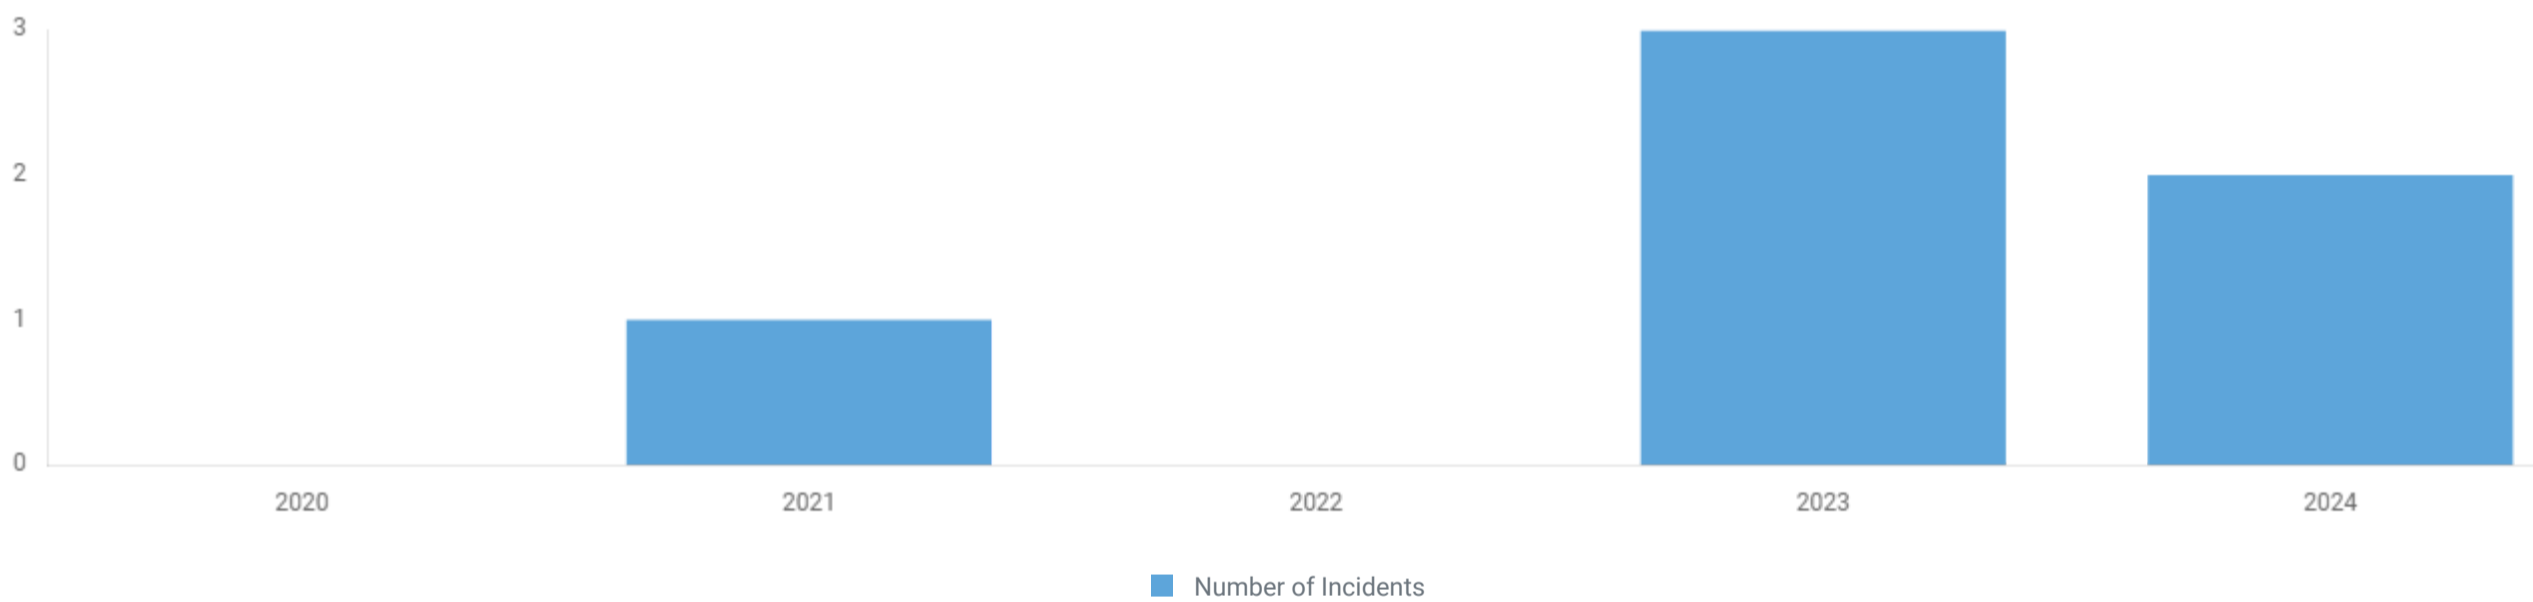

e) Juvenile/No Custody (the handling of a juvenile without taking him/her into custody, but rather by oral or written notice given to the parents or legal guardian in a case involving a minor offense, such as petty larceny).
